## Notes to Financial Statements

for the period July 1, 2011 to June 30, 2012

### 1. The Organization

The Gabriola Arts Council is an organization that provides administration and funding support to local visual and performance artists, musicians and writers. The Council was incorporated under the Societies Act of British Columbia as a not-for-profit organization on April 15, 1997 and is a registered charity under the Income Tax Act.

### 2. Summary of Significant Accounting Policies

The organization follows accounting principles generally accepted in Canada in preparing its financial statements. The significant accounting policies used are:

- a) **Revenue recognition:** The organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Membership fees are recognized over the membership period. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Revenue from activities and events is recognized when the activity or event occurs.
- b) **Contributed services:** Due to the difficulty of determining fair value, contributed services are not recognized in the financial statements.
- c) **Equipment and amortization:** Equipment is accounted for at cost. Amortization of equipment is calculated on the declining balance basis at the rate of 30%.

### 3. Capital Assets

	Cost	Accumulated Amortization	Net
Computer Equipment	\$2,705	\$2,021	\$684

#### **5. Grants Received But Not Yet Disbursed**
